Regarding transportation, we would strongly advise you to rent a car, because of our location that is not frequently serviced by public transportation. If you would prefer just to have a driver to take you from and to the airport on your travel dates, we can also accommodate to that need. Kindly inform us in advance (The cost of the "aller-retour" is approximately €220, but please ask us for your specific request in order to give you an exact quote).

Please find attached the list of cars that our car-rental collaborators offer and their prices. In case you would like to pre-book the car, please notify us in your reply with the car that you would like to book, as well as a contact telephone number in order to schedule all the details.

Please find below the directions to the village Sfaka:

- From Heraklion Airport take a direction towards Aghios Nikolaos (follow the signs!)
- Once you reach outside Aghios Nikolaos follow the signs towards Sitia
- When you reach Pachia Ammos continue once again towards Sitia
- Give us a call when you reach Kavoussi Village and continue towards Sitia
- The next village after Kavoussi is Sfaka! After you see the Sfaka sign take a right on the road you see and continue straight up towards the highest point of the village! You will see a Church on your left-hand. Stand still for 5 seconds in front of the "Cretan Traffic Light"! This is for the sensor to turn red for the cars driving down (we have narrow roads in our Cretan villages! This is one of the things that will make your experience unforgettable! ☺) Continue straight on past the first Square where you will see some parked cars. If you find a spot, park there but make sure you are not blocking any one else or the road! If you do not find a spot continue straight ahead. Once you reach the dust road you will see a small road on your left. Stop the car and drop off your luggage there. Then continue straight on to leave your car at the public road. You will see other cars parked around there also.
- Walking to the hotel, (approximately 40m): Walk back to your luggage. From there walk straight into the village and take the road to the right. Continue walking up until you find the Reception House on your right! You are now here! The tough part of your holiday is over!

Now you can now relax at one of the most virgin locations of Crete, in an authentic Cretan village, at a unique Cretan house! ☺

For any further information, we are always at your disposal.
